

October 17, 2016

Curriculum Vitae

Lauren B. Krupp, M.D.

Department of Neurology,

NYU Langone Medical Center

Director, Multiple Sclerosis Division

240 East 38th Street, New York, NY 10016

Telephone: 646 501 7509; cell 631 942 3176; Assistant: 646-501-7526

Email: lauren.krupp@nyumc.org

Education

Year	Degree	Field	Institution & Location
1973	Certificate	University of Grenoble,	Grenoble, France
1977	BA Biology	Hampshire College,	Amherst, Mass
1981	MD Medicine	Albert Einstein College of Medicine,	Bronx, NY

Internships and Residencies:

1981-82 Intern in Medicine, Westchester County Medical Center, NY

1982-84 Resident, Neurology, Albert Einstein College of Medicine, Bronx, NY

1984-85 Chief Resident, Neurology, Albert Einstein College of Medicine, Bronx, NY

Clinical and Research Fellowships:

1985-87 Fellow, Neuroimmunology, NIH Bethesda, Maryland

Licensure and Certification

1985 New York License Registration #159491

1986 American Board of Psychiatry and Neurology

Academic Appointments

1987-1993 Assistant Professor of Neurology, Stony Brook Medicine

1993-1999	Associate Professor of Neurology, Stony Brook Medicine
1994-1999	Associate Professor of Psychology, Stony Brook Medicine
1999- 2015	Professor of Neurology, Stony Brook Medicine
2015 -	Adjunct Professor of Neurology, Stony Brook Medicine
2015 -	Professor of Neurology, New York University

Hospital Appointments

1990-2015	Co-Director MS Comprehensive Care Center, Stony Brook Medicine
1997- 2015	Director Neuropsychology Research, Stony Brook Medicine
2002-2015	Director, Lourie Center for Pediatric Multiple Sclerosis, Stony Brook
2015-	Director, MS Comprehensive MS Care Center, NYU Langone
2015-	Director, Pediatric MS Center, NYU Langone
2015	Attending, Tisch Hospital, NYU Langone

Other Professional Positions and Major Visiting Appointments

2004-2007	Founding Chair, International Pediatric MS Study group
2007-2011	Member, Steering Committee, International Pediatric MS Study group
2009-2013	Member NIH, NMSS, FDA task force: Common Data Elements in MS
2011-	Member, Steering Committee International Society for Cognition in MS
2013-	Member, NIH, FDA, NMSS task force on outcome measures MSOAC
2014-	Member, Steering Committee, International Pediatric MS Study Group
2014-	Member, Data Safety Monitoring Committee on Alemtuzimab in Pediatric MS, (Genentech)
2014-	Member, Steering Committee of Clinical trial of Fingolimod in Pediatric MS (Novartis)
2014-	Invited Lecturer for International Child Neurology Society Congress Lecture for course on Leukodystrophy: Pediatric MS Lecture for course on Pediatric MS: Cognitive function in pediatric MS

Awards and Honors

M.D. granted with special distinction in research
Invited speaker for first International MS meeting ACTRIMS/ECTRIMS
Invited speaker for the International Neuro Rehabilitation Society
Course Leader on Fatigue for American Academy of Neurology
Fatigue scale selected for translation into 17 languages and chosen for dissemination by the Educational Services Corporation
Leadership Award – National Multiple Sclerosis Society, 2000
Health Professional of the Year – National Multiple Sclerosis Society, 2002

Major Committee Assignments

2003-10 Founding Chair, International Pediatric MS Study Group
2006-07 Chair, Steering Committee, Network of Pediatric MS Centers of Excellence
2007- Chair, NMSS Long Island Chapter Clinical Advisory Board
2010- Member, International Pediatric MS Study Group Steering Committee
2005- Member, NMSS Health Care Policy grant submissions Review Committee
2005- Member, NMSS Clinical Care Committee
2000-2004 Member, NMSS Research Advisory Board, Slifka Longitudinal MS Study
2010-2011 Member, Clinical Advisory Group. Academy of Neurology. Neurologic Lyme disease
2014 Reviewer, Abstracts for presentation at the European Committee for Treatment And Research in MS (ECTRIMS) International meeting for October, 2014

Memberships, Offices and Committee Assignments in Professional Societies

American Neurological Association
International Neuropsychological Society
American Academy of Neurology
American Medical Association

Multiple Sclerosis Consortium
American Association of Neurology
National Multiple Sclerosis Society

Principal Clinical and Hospital Service Responsibilities

Standing University Committees, Major Ad Hoc Committees
1992-96 Chair, Department of Neurology Quality Assurance Committee
1992-96 Liaison, University Hospital Quality Assurance Committee
1996-99 Member, University Hospital Research Committee
1999-03 Member, Appointment for Promotion and Tenure Committee
2003 - Chair, Department of Neurology APT Committee

Major Administrative Responsibilities

Ad hoc reviewer (2008) Neurological, Aging and Musculoskeletal Epidemiology Study Section
National Multiple Sclerosis Society, Dutch Multiple Sclerosis Research Society
Department of Defense: (Study Section on Psychosocial stress and Gulf War Syndrome)
National Institutes of Disability Rehabilitation Research (Center and Training Grant
Review board), Italian Multiple Sclerosis Society
Reviewer for: American Journal of Psychiatry, Archives of Psychiatry; Acta Neurologica
Scandinavia, Brain, Journal of Clinical Rheumatology, Journal of Neurologic Rehabilitation,
Journal of Neurology, Neurosurgery, and Psychiatry, Journal of Psychosomatic Research,
Journal of Neurological Sciences, Multiple Sclerosis Muscle and Nerve, Neurology, Patient
Care, Psychopharmacology, Psychosomatic Medicine,

Teaching Experience

Lectures given for medical students, residents in pediatrics, neurology, internal medicine, and
physician assistant students, psychology PhD students

Mentoring of faculty

2001-02 Syed Rizvi, MD

2007-08 Mirjana Savatic, MD, PhD

2012-13 Nurcan Gursoy, MD

Seminars/Courses Taught

1990-93 Lyme Disease: Problems and pitfalls in diagnosis course, at Academy of Neurology meetings

1993 Opportunistic viral infections of the nervous system: JC Virus and Cytomegalovirus, at Academy of Neurology meeting

1993 Post infectious neurologic syndromes, at Academy of Neurology meeting

1993-95, 1997 Fatigue in neurologic disease: Course director, at Academy of Neurology Breakfast Seminar

2002 Fatigue in multiple sclerosis: Course director, Academy of Neurology Breakfast Seminar

2003 Pediatric multiple sclerosis: Course director, Academy of Neurology Breakfast Seminar, Honolulu, Hawaii

2004 Pediatric multiple sclerosis: Course director, Academy of Neurology Breakfast Seminar San Francisco, California

Mentoring of Graduate Students, Residents, Post-Doctoral Fellows

Mentor for MD with Recognition Project

2002 Madeline Fersch

2011 Tiffany Moadel

2014 Emily Taub

2015 Roxanne Troxell

Ph.D. Dissertations Supervised

1991 Lynn Lagenbach Psychology

Title: "Cognitive effects of pharmacologic therapy for fatigue in multiple sclerosis"

1994 Mark Geisler Psychology

Title: "Effects of cooling on cognitive functioning and evoked potentials in MS"

Boards and Community Organizations – National and International Service

- 1998- Member, Medical Advisory Board for the National Multiple Sclerosis Society
- 2004-07 Chair Steering Committee. International Pediatric MS Study group
- 2007-13 Member, Steering Committee, International Pediatric MS Study group
- 2009-13 Member, NIH, NMSS, FDA task force: Common Data Elements in MS
- 2011-13 Chair, Investigator initiated study of the safety of PVAC in brain gliomas
- 2011- Member, Steering Committee International Society for Cognition in MS
- 2011- Member, NMSS. Grant reviewer for Health Care Policy Committee
- 2012- Member. Phase III DSMB member Phase II/III Clinical Trial in Crohn's Disease.
(Pfizer Corp)
- 2014- Member, NIH, FDA, NMSS task force on outcome measures MSOAC
- 2014- Steering Committee: PARADIGMS (Gilenya in Pediatric MS) clinical trial (Novartis)
- 2014- Member. DSMB for Terrikids (Teriflunomide for Pediatric MS), (Genzyme)
