

Personal information

First name(s) / Surname(s)	Alex Rovira
Address(es)	C/ Balmes 414. 4 ^o 2 ^a . 08022 Barcelona, Spain
Telephone(s)	34 93 4286034
Fax(es)	34 93 4286059
E-mail	alex.rovira@idi.gencat.cat
License number	08-20783
Nationality	Spanish
Date of birth	24 september 1960
Gender	male

Occupational field **Neuroradiologist**

Work experience

1993-2012	Head of Neuroradiology. Hospital Quiron. Barcelona
Present position held	Head of the Section of Neuroradiology. Director of the Magnetic Resonance Unit. Department of Radiology. Professor of Radiology. Hospital Universitari Vall d'Hebron. Barcelona
Main activities and responsibilities	Clinical Diagnostic Neuroradiology and Head and Neck Radiology in an Academic Center
Name and address of employer	Institut Diagnostic per la Imatge (IDI). Parc Sanitari Pere Virgili. Edifici Mestral. Zona Planta. C/ Esteve Terrades 30. 08023 Barcelona
Type of business or sector	Health

Education and training

1983	Medical degree. Universitat Autònoma de Barcelona
1986-1989	Residency in Radiology. Hospital Universitari Vall d'Hebron. Barcelona
1989	Visiting fellowship. University of Florida (Gainesville)

Title of qualification awarded	Radiologist
Principal subjects/occupational skills	Diagnostic Neuroradiology and Head and Neck Radiology
Name and type of organisation providing education and training	Institut Diagnostic per la Imatge (IDI). Hospital Universitari Vall d'Hebron. Barcelona
Level in national or international classification	European Qualification in Neuroradiology 2007 (issued by the European Board in Neuroradiology)

Biosketch

Dr. Àlex Rovira was born in Barcelona (Spain). He is a full time neuroradiologist, who gained his MD in 1983 at the Autonomos University of Barcelona. After formal training in Radiology at Vall d'Hebron University Hospital (Barcelona), he undertook a visiting fellowship at Shands Hospital (Gainesville, University of Florida) in 1989. In 1990, he became staff neuroradiologist at the Section of Neuroradiology at Vall d'Hebron Hospital (Barcelona, Spain). Dr. Rovira is Director of the Magnetic Resonance Unit, and of the Section of Neuroradiology at University Hospital Vall d'Hebron, Barcelona (Spain). Dr. Rovira is also Professor of Radiology and Neuroimmunology at the Autonomous University of Barcelona.

He is specialised in diagnostic neuroradiology, and head and neck radiology, with particular interest in demyelinating diseases, stroke, neuro-oncology, hepatic encephalopathy, and head and neck tumors.

He is currently President of the European Society of Neuroradiology, Co-Chairman of MAGNIMS (European Multicenter Collaborative Research Network on MRI in MS), and member of the Executive Committee of the Spanish Society of Radiology and of the World Federation of Neuroradiological Societies. He is on the editorial boards of the American Journal of Neuroradiology, European Radiology, Neuroradiology, and MS Forum, and member of the International Advisory Board on Clinical Trials in MS. He also served on the Lucien Appel Prize Award Jury of the European Society of Neuroradiology from 2006 to 2012, as Editor of Neuroradiology in the Spanish Journal of Radiology, and as Director of the 10th and 11th Cycles of the Pierre Lasjaunias European Course of Neuroradiology (2008-2012). Dr Rovira has authored or co-authored more than 290 original papers, 25 review papers, 25 book chapters or monographs, and more than 400 invited conference presentations.
