Anne Krakau Hansen
11 04 1957
Dansk Multipel Sclerose Center
Rigshospitalet
København

Anne Krakau is leading Nurse in the Danish Multiple Sclerosis Center Rigshospitalet Copenhagen.

She became a nurse in 1983. Worked in the first years in the medical, rheumatological, physiurgical and psychiatric field. Since 1990, she has been a neurological nurse and has gained her specialist education in this specialty. In 1996, she started working with special care and treatment for multiple sclerosis patients. Since January 2000 she has been employed by the Danish Multiple Sclerosis Center, Rigshospitalet Copenhagen. Since 2006 as leading nurse. There are 15 nurses employed exclusively to treat MS patients in the out-patient clinic. Associated with approximately 3800 patients.

Chairman for the Danish MS Nurses.
